

## ASPYRE-1 - Newsletter No. 6

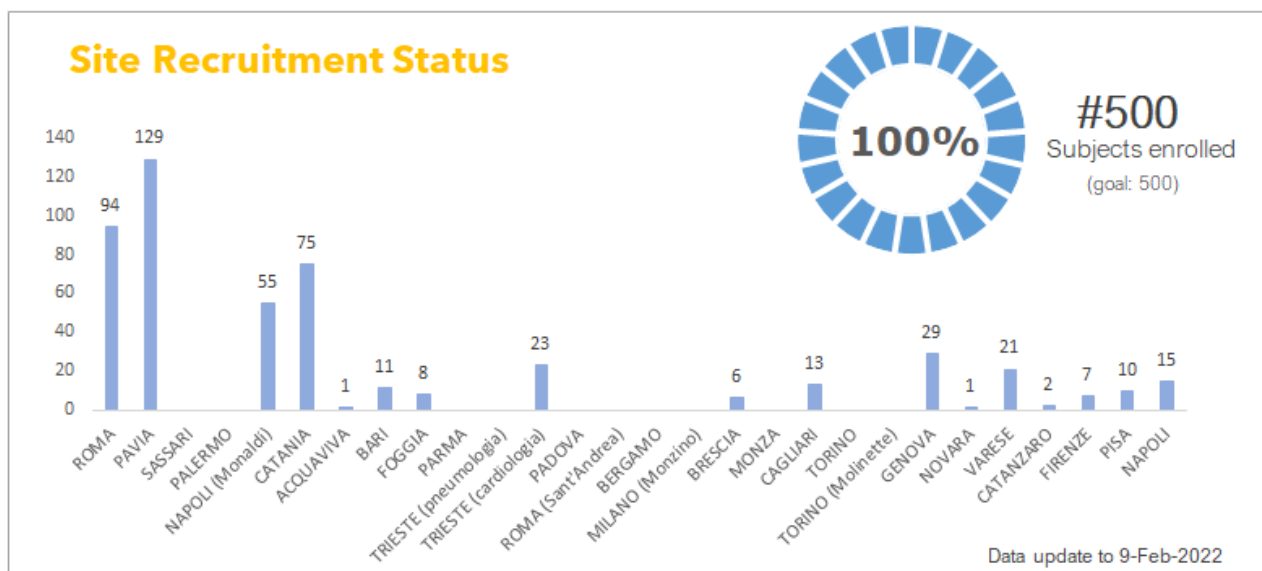

Dear Investigator & Site Staff,

**The ASPYRE-1 milestone was reached** thanks to your commitment and hard work to enrol patients in this particular period!

The ASPYRE-1 study team is working to amend the protocol to reach new milestones and then continue with enrollment!

Meanwhile, the Quality Team is reviewing data recorded to improve results. You will be informed about the Sponsor's decision and next steps to be taken shortly.

### STUDY STATUS UPDATES

### TIMELINES

Start of enrollment	01 May 2014
End of enrollment	31 April 2023
End of Study	31 August 2024

### COMMUNICATION

We kindly ask you to **answer the queries raised in the eCRF during completion.**

If you have any questions or need further information, please contact:

**Francesca D'Alessandro**

*Clinical Project Manager*
